

Document A1

July 3-11, 1572

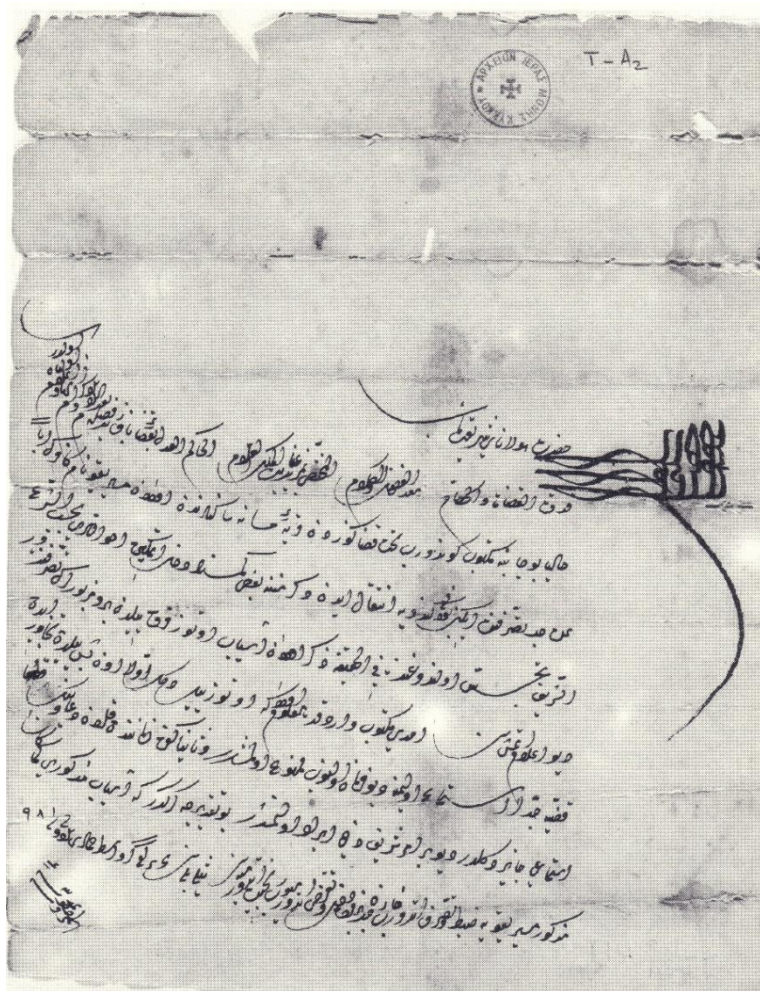

Order of the Turkish governor of Cyprus Mehmet Pasha to the naib (substitute judge) of the nahiye (district) of Lefka, so as not to disturb the various assets of the Kykkos Monastery that included mills, vineyards, orchards and sheep. On the back site of the document there is a note in Greek: "About the mills. An order from the town highlights that nobody should bother the monastery's property."

Document A2

September 8-17, 1573

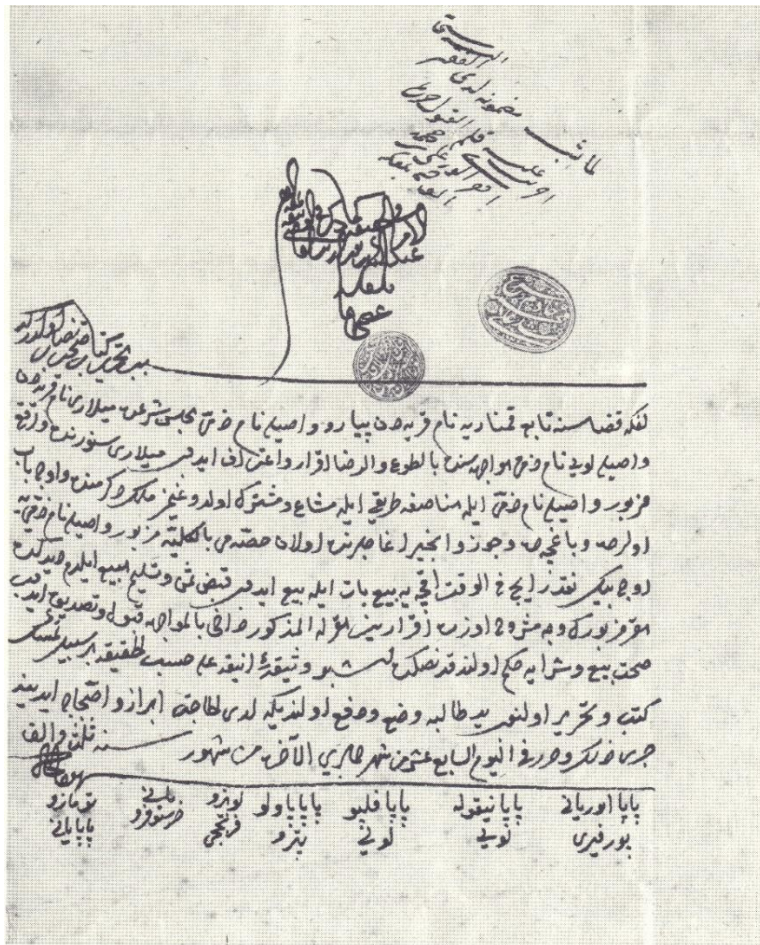

The governor of Cyprus Suleiman addresses the kadi of Paphos, clarifying that the resident of the village of Mesana, Missirikos is entitled to own the watermill he had inherited in the village. On the back side of the document there is a note in Greek "Order for the mill of Maisanos".

Document C2

February 27, 1595

Vassilis from Kaminaria sold to Vassilis Loui from Mylikouri half mill, three houses, one field, walnut and sycamore trees from 3.000 aspra. On the back side of the document there is a note in Greek "Hokettin of the Mill of Pertehis, in Kaminaria".

Document H2

July 20-29, 1651

Hüccet of the mill of Polemi. In July 1651, the Archbishop of Cyprus Nicephorus (1641 – 1674) was denounced to the Paphos Holy Court by Titi Geroudis for selling for 10,000 piastres a watermill, located in the village of Agios Ioannis in Paphos, without his consent, since he owned half of the mill. After a settlement, Titis withdrew the lawsuit. A Greek note on the back of the document places the mill in the village of Polemi and not in Agios Ioannis.

Document IE28

November 5, 1715

In November 1715, Margaro from Korakou, in an attempt to express her gratitude to her husband papa-Loizos, for offering her a silver-plated knife, she allowed him to use three days and three nights of the month the mill of Loutzeris in Evrychou. A note in Greek, on the back site of the document, mentions that the mill was in Korakou and not in Evrychou.
